Location and Directions

The workshop address is the "Cilento" serviced apartments – Room 803 at 19 First Avenue in **Mooloolaba, Sunshine Coast, Queensland** which is 20 mins from the Sunshine Coast airport and in an outstanding beach setting at the heart of the coast. Pickups from the airport on the Wednesday before the training are possible with plenty of advance notice.

Once you've arrived and settled in Mooloolaba you'll find an abundance of restaurants, supermarkets and amenities within a few minutes walk of centrally located apartments, as well as the pristine Mooloolaba beach – ideal for morning walks, or unwinding after the training completes each night!

Food and Drinks

This is a non-residential workshop so no food is provided for morning or evening meals although there will be healthy snacks, tea and coffee etc supplied for breaks, and there is a fully equipped kitchen that is available for students to use. The beachfront at Mooloolaba is only a 2 minute walk away and there are multiple food options available. Regular breaks will be taken and lunch will be one hour each day.

Accommodation

There are 3 rooms available at the venue – two with double beds and one with twin single beds. These will be booked on a first requested basis. The cost for renting a room at the venue is \$50 per night. If the accommodation has been taken I'll assist you in finding an alternative place to stay, preferably in the same building. Though this can't be guaranteed I will offer support to ensure you find the closest and most affordable option.

Evening

Evening activities can be organised, and include group meals, movies, tarot cards, games etc, and a group dinner at a nearby restaurant is often organised for the Saturday evening before the last day. These are completely optional – students may choose to rest or enjoy free time after the training each day if they prefer.

Recommended Pre-Course Reading

The text book for the training will be the course manual which you'll receive on the first morning but if you'd like to read about Regression before the training commences some recommended books about past lives and similar healing methods you'll be learning include:

"Many lives, many masters" – Brian Weiss, or
"Miracles Happen" – Brian Weiss
"Journey of Souls" / "Destiny of Souls" – Michael Newton
"The Big Book of the Soul" – Ian Lawton

(Other titles by Brian Weiss that are also very relevant reads, though not necessary for the course - "Through time into healing" / "Same soul, many bodies" / "Only love is real")
